PRAYER SHEET October 3—10, 2018

Your prayer requests are welcome!

The prayer sheet is a weekly publication that lists our members who are hospitalized and other prayer requests that have been called into the office.

If you have a prayer request, you can Call the Heritage office at
740-335-1079

If leaving a voicemail, please leave your name and contact number so we can return the call. Otherwise, we cannot assure the request will be printed.

Or email to: sylvia@heritagewch.com

If your prayer request is confidential or the one being prayed for prefers to not be on a public list, make sure you request that it not be placed on this prayer sheet. The prayer chain will still pray for your request.
